

Canon imageRUNNER 5000
 (with Multi-PDL Printer Kit – A1)
Digital Copier-Printer

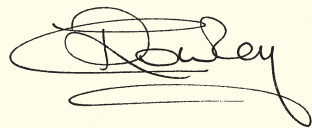

Copier

Printer

Highly Recommended

Highly productive 50ppm device, outperforming most rival devices in 50–59ppm sector on basic word processing print work, copy jobs and booklet creation. Flexible “Print on Demand” capabilities for both walk-up and desktop user.
 (Test date: October 2000)
